MEMORANDUM TO: Special Assistant to the Director  
for Planning and Development

SUBJECT : CHALICE, [REDACTED] Operations Plan 25X1A2g

REFERENCES : A. Draft Operations Plan

B. Memo dated 22 October 1958, subject same as above

1. As pertains to reference A, the revised draft is attached in accordance with para 7, Ref B. As pertains to Ref B, the following comments are forwarded:

25X1A2g 2. Ref B, para 2, para III A (7) now reads, "Submit periodically a prospectus of proposed operations to [REDACTED] for consideration and subsequent political approval."

3. Ref B, para 3, as pertains to the exchanges of information or permissions granted: It is felt that the change mentioned above and the changes in para IV A (1) and (2) provide for your recommendation. In addition it is felt to be compatible with your cable.

25X1C8a 4. Ref B, para 4, all references to civilian have been changed to read, [REDACTED] pilots."

5. Ref B, paras 5 and 6, your recommended statement is included in para III A (2). Para IV B as written in the first proposed plan has been eliminated. Para VI B has been rewritten to more clearly state the problem; i. e., the difference between CHALICE and CHALICE/[REDACTED] operational control in addition to spelling out the procedures used in each case. 25X1A2g

6. In addition to making the plan more acceptable, it is felt that the recommended changes make the plan more meaningful. The completeness and continuity as pertain to the sequence of events appears to be much better and should eliminate any misunderstandings and/or gray areas as pertain to any joint operations order resulting from the plan. If this is not the case, any further suggestions you may have should be incorporated in the final Headquarters CHALICE version.
